INTRODUCTION

This new **CT1 Catalog** contains a increase in the range of our products. We have been able to compile it by combining efforts with our clients and cooperators. Quality is and has always been considered a top priority at **FAE**. We feel compelled to follow that line by using the most advanced methods of production and design on all projects, such as Computer Aided Design (CAD), automated control and production, advanced elements for testing reliability, durability, etc. This allows us to successfully pass our clients' quality standars and even to work together to develop products for their new vehicles.

By means of this new Catalog we intend to enable our clients to quickly identify **our products so that they can be adapted to replace the original ones**.

Since car manufacturers are constantly modifying their vehicles we cannot guarantee the full accuracy of the information given in this Catalogue. It is only intended as a guide to our products. Manufacturer's names and original numbers are quoted for reference purposes only.

GUARANTEE. All **FAE** products are guaranteed against any manufacturing defects. The guarantee is limited to the replacement of the faulty parts. **FAE** does not hold itself responsible for problems which arise from the incorrect use of its products.

NOTES.

- **FAE will not accept any return after six months of delivery.**
- In case of litigation we refer to the Court of Barcelona.
- **FAE** reserves the right to modify the characteristics of its products without prior warning.
- All the information relating to temperature is in degrees centigrade.
