⊗ Rubber Injection Shaping Machine

⊗ Imported DESMA Big-sized Rubber Injection Molding Machine

Test Center

The test center established a perfect measuring management system and carry out experiments according to ISO17025. Most of the test equipments were imported with a total investment of \$ 5 million.

- Static and dynamic test
- Salt fog test
- Durability
- Tensile strength & compression test
- Ozone resistance
- Hardness test
- Low-temp aging test
- High-temp aging test
