### Dear customer.

We have the pleasure to present our Rubbex catalogue.

Publication of this catalogue automatically means, that all previous JP Group Rubbex catalogues are no longer valid.

For continuous catalogue updating: Please see our catalogue on website [www.jpgroup.dk](http://www.jpgroup.dk).

### Application

For each part number we have specified the description, application, engine size and model year of the car. However, we have not always been able to consider and specify all variations of car models. Engine size is specified by approximate litre cubic capacity. For exact details please see TecDoc.

### Order of the items.

All parts in this catalogue is sorted via the product group and the vehicle model.
