## ***Dear Valued Customer,***

We are proud to present you our 2014 Catalog of TYC door mirror products.

TYC Europe B.V., being the European headquarter of TYC Brother Industrial Corp., Taiwan, is the sales, marketing and distribution center for the world's most comprehensive automotive replacement exterior lamps worldwide. Our lamps are manufactured in world class production facilities and shipped to over 100 countries globally. In TYC Europe, we serve 27 countries across Europe and Africa continents. Established in 2003, our state-of-the-art 15,000 m<sup>2</sup> distribution centre in the Netherlands positions us strategically at the center of the market, assuring our customers on-time product deliveries and enabling us to better understand the customer's needs. We are able to ship most orders within twenty-four hours, with a fill-rate exceeding 95%. Through our superior global supply chain, we create and deliver extra values to our valued customers.

In this new 2014 catalogue, we have introduced more than 200 new items in our mirror range. Many of our new items are with multiple assembly options which enable you to have more flexible options of product assortments. All TYC door mirrors meet or exceed applicable ECE-regulation. Nevertheless, the new product items and information go beyond this catalogue as they are updated in a timely manner via our New Product Announcement released each month, our TYC Europe website and TecDoc system throughout the year. In addition to the door mirror product line, TYC Europe also carries wide range of other TYC automotive aftermarket product lines such as lightings, cooling fans, radiators and interior blowers. In TYC Europe, we consistently strive to provide you with high quality products, flexibility of product options and value added services to you as our ultimate company goal.

With warmest regards,

TYC Europe
